Pre-conference Workshops Wednesday, August 9, 2017:

Workshop 1 12-4pm Fee \$100

Heinz Bloch, P.E.- Excellence in Maintenance Management

All process plants talk safety and reliability, but only a few become Best-in-Class by consistently practicing reliability. When they do they are quite reluctant to share with their competition, in detail, the exact steps that got them there. Intended as a 4 hour overview, this workshop will discuss the missing details. The presenter will include failure analysis technics that have been taught at every level in 4 or 5 of the world's most success process plants.

Workshop 2

Certified Reliability Leader (CRL) Workshop and Exam

Terry O'Hanlon- Reliabilityweb.com

Workshop will run from 8:00am-2:30pm Workshop cost is \$100

Exam will run from 3:00-5:00pm Exam cost is \$299

*Laptop computers are required for this workshop and exam, please bring a laptop with you if you plan on taking Workshop 2
